The meeting of the Overview Group for NSSD-9 on comprehensive energy security policy, which was scheduled for Friday, July 16 at 2:30 pm, has been rescheduled for Tuesday, July 20, at 11 am in the Situation Room, West Wing of the White House.

The agenda and papers for the meeting are the same as those previously distributed. In addition, the section of Part IID on economic consequences, which was to be distributed at the meeting on Friday, is attached.

There has been some difficulties in moving papers through the secretariats of the respective agencies to the responsible substantive individuals. Please check on these arrangements in your own agencies. Papers for the meeting originally scheduled on Friday were sent out from the NSC Tuesday evening. By Thursday afternoon, many individuals who participated on the Overview Group had not yet received these papers. This was one reason for rescheduling the meeting.

Please notify Esther Moss (395-6961) of the name of the individual (please limit to one principal, if possible) who will be attending the July 20 meeting for your agency.

Michael O. Wheeler  
Staff Secretary
